

## SINGLE MOUNTING DISH BRACKET 76Ø Pole

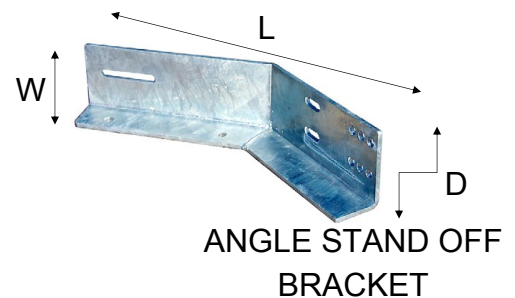

Galvanized to ENISO 1461:1999

76.1Ø tube

This economical swivel bracket when used with the standard angle stand off bracket allows easy attachment of up to 300mm microwave dishes eliminating the rake angle of the tower.

Identify the series for the leg from the chart at the rear of the catalogue. Order two leg fixing bolts per kit for the series

Part No.	Series	L	W	D	Wt Kg
3/ASO/101	1000	500	125	75	6.1
